## Item 7. Financial Statements and Exhibits

(c) Exhibits

Exhibit No.	Description
99.1	Notice to Directors and Executive Officers of Integrated Electrical Services, Inc. dated June 3, 2004.

## Item 11. Temporary Suspension of Trading Under Registrant's Employee Benefit Plans

The Plan Administrator of the Integrated Electrical Services, Inc. 401(k) Retirement Savings Plan (the "Plan") has engaged a new service provider for the Plan. As a result, there will be a blackout period that will temporarily prevent participants in the Plan from engaging in transactions in Integrated Electrical Services, Inc. ("IES") common stock held in their individual accounts. Pursuant to Section 306(a) of the Sarbanes-Oxley Act of 2002 and Regulation BTR promulgated thereunder, IES mailed a notice to its directors and executive officers informing them that a blackout period will begin at 5:00 PM Central Time on June 20, 2004 and is expected to end on July 12, 2004. A copy of the notice mailed on June 3, 2004 is set forth in Exhibit 99.1 and is incorporated herein by reference.

During the blackout period, plan participants will not be able to direct or diversify investments in their individual accounts, obtain a loan, or obtain a distribution from the 401(k) plan. The reason for the blackout period is to complete the transfer of the trustee and recordkeeping services under the 401(k) plan to Merrill Lynch, who will become the new trustee for the 401(k) plan effective July 1, 2004.

During the blackout period, and for a period of two years after the end of the blackout period, a security holder or other interested person may obtain from IES, without charge, the actual start and end dates of the blackout period by contacting Curt L. Warnock, IES' Vice President, Law, at 1800 West Loop South, Suite 500, Houston, TX 77027, telephone number: (713) 860-1500.
