ASSET PURCHASE AGREEMENT

This ASSET PURCHASE AGREEMENT (this "AGREEMENT") is made and entered into as of November 30, 2004 by and among INTEGRATED ELECTRICAL SERVICES, INC., a Delaware corporation (the "PARENT"), GOSS ELECTRIC COMPANY, INC., a Delaware corporation (the "COMPANY"), GOSS, INC., an Alabama corporation (the "BUYER"), and ROBERT CARL GOSS, an individual and resident of the State of Alabama ("GUARANTOR")

WITNESSETH:

WHEREAS, the Parent owns, either directly or indirectly, all of the issued and outstanding capital stock of the Company, which is engaged in the electrical construction and services business (the "BUSINESS");

WHEREAS, the Parent and the Company desire to sell to the Buyer substantially all of the Company's assets, which are more fully described in Section 1.1 hereof, and the Buyer desires to acquire such assets in consideration of the payment by the Buyer of the purchase price and the assumption by the Buyer of the liabilities provided for herein, all upon the terms and subject to the conditions hereinafter set forth;

WHEREAS, Guarantor is the President and owner of the Buyer and has agreed to personally guarantee to the Parent and the Company the Buyer's performance of all representations, warranties, covenants, agreements and conditions set forth herein;

NOW, THEREFORE, for and in consideration of the premises and of the respective representations, warranties, covenants, agreements and conditions of the parties contained herein, it is hereby agreed as follows:

1. PURCHASE AND SALE OF ASSETS.

1.1 Transfer of Assets. On the terms and subject to the conditions set forth in this Agreement, on the Closing Date (as defined in Section 2.1 hereof), the Company shall sell, convey, assign, transfer and deliver to the Buyer, and the Buyer shall purchase and acquire from the Company (except as provided in Section 1.2 hereof) all of the assets, rights and properties of the Parent or the Company set forth on Schedule 1.1. The assets described in this Section 1.1 as being sold, conveyed, assigned, transferred and delivered to the Buyer hereunder are sometimes hereinafter referred to collectively as the "ASSETS".

1.2 Excluded Assets. It is expressly understood and agreed that the Assets shall not include the following (such assets are hereinafter referred to collectively as the "EXCLUDED ASSETS"):

(a) Cash and cash equivalents or similar type investments, such as certificates of deposit, Treasury bills and other marketable securities;

(b) Claims for refunds of taxes and other governmental charges to the extent such refunds relate to periods ending on or prior to the Closing Date;

(c) Any asset, tangible or intangible, which is not freely transferable without the consent of a third party, upon the failure to obtain such consent;

(d) The original corporate minute books, stock books, financial records, tax returns, personnel and payroll records and corporate policies and procedures manuals of the Company and other records required by applicable laws to be retained;

(e) Any contract or agreement, whether written or oral, between the Company and IES Contractors, Inc.; and

(f) Any asset not set forth on Schedule 1.1.

1.3 Instruments of Conveyance and Transfer.

(a) At the Closing, the Buyer, the Company and the Parent shall enter into a Bill of Sale, Assignment and Assumption Agreement in the form attached hereto as Exhibit A, transferring to the Buyer good and indefeasible title to all of the tangible personal property included in the Assets, subject only to Permitted Encumbrances.

(b) At the Closing, the Buyer and the Parent shall deliver such other instruments of transfer and assignment in respect of the Assets as the Buyer shall reasonably require and as shall be consistent with the terms and provisions of this Agreement.

(c) At the Closing, the Buyer shall, and shall cause the Transferred Employees (as hereinafter defined) to, resign as officers and directors of the Company and any other affiliates of the Parent.

1.4 Further Assurances. From time to time after the Closing, the Parent and the Company will execute and deliver, or cause to be executed and delivered, without further consideration, such other instruments of conveyance, assignment, transfer and delivery and will take such other actions as the Buyer may reasonably request in order to more effectively transfer, convey, assign and deliver to the Buyer, and to place the Buyer in possession and control of any of the Assets or to enable the Buyer to exercise and enjoy all rights and benefits of the Company with respect thereto.

1.5 Liabilities. On the Closing Date, the Buyer will assume and agree to pay and discharge all liabilities of the Company, known or unknown, absolute or contingent (the "ASSUMED LIABILITIES") other than the liabilities set forth on Schedule 1.5 (the "RETAINED LIABILITIES"), which shall be retained by the Parent or the Company, respectively.

1.6 Expenses: Consents and Taxes. The Buyer shall pay, or cause to be paid (i) all costs and expenses of obtaining all consents of third parties for the assignment of any of the Assets, and (ii) all transfer, stamp, sales, use or other similar taxes or duties payable in connection with the sale and transfer of the Assets to the Buyer.

2. CLOSING; PURCHASE PRICE.

2.1 Closing Date. The consummation of the transactions contemplated in this Agreement (the "CLOSING") shall take place at the offices of Gardere Wynne Sewell LLP, 1000 Louisiana, Suite 3400, Houston, Texas at 10:00 a.m., Central time, November 30, 2004 (the "CLOSING DATE") contemporaneously with the execution of this Agreement or at such other place and time as the parties hereto may mutually agree.

2.2 Purchase Price. The aggregate purchase price for the Assets shall be \$3,995,000.00 (the "PURCHASE PRICE"), subject to adjustment pursuant to Section 2.3 below, plus the Buyer's assumption of the Assumed Liabilities pursuant to Section 1.5 above. The Purchase Price shall be payable by the Buyer at the Closing to the Company in immediately available funds by confirmed wire transfer to a bank account to be designated by the Company.

2.3 Cash Reconciliation. Within 30 days following the Closing Date, the Company shall prepare and deliver to the Buyer a schedule setting forth, for the period commencing on October 1, 2004, and ending as of the Closing, (a) the cash disbursements funded by the Company, the Parent or any of their affiliates for the benefit of the Company, to include those made in the ordinary course to trade vendors and those made in the ordinary course for Company employee benefit plans (the "DISBURSEMENTS"), and (b) the cash deposits made by the Company (the "DEPOSITS"). Within three business days following the Buyer's receipt of such schedule, (i) the Buyer shall remit to the Company in immediately available funds, the amount by which the Disbursements exceed the Deposits, if any; or (ii) the Company shall remit to the Buyer, in like manner and within such period, the amount by which Deposits exceed the Disbursements, if any. Disbursements shall include, but not be limited to, actual cash amounts paid by the Company or the Parent on behalf of the Buyer, including (i) amounts paid after September 30, 2004 for checks issued by the Company or Parent on behalf of the Company on or before September 30, 2004 that had not cleared the banks on September 30, 2004, which amounts were reflected on the September 30, 2004 balance sheet as negative cash amounts, and (ii) checks issued by the Buyer or Parent on behalf of the Company subsequent to September 30, 2004, but before the Closing that have not cleared the banks as of the Closing, and Deposits shall include, but not be limited to, actual cash amounts received by the Company or the Parent on behalf of the Company subsequent to September 30, 2004, but before the Closing that have not been reflected in the Company's accounts as of the Closing. Disbursements and Deposits will be accounted for in accordance with Parent's accounting practices consistent with past periods.

2.4 Purchase Price Allocation. As soon as practicable after the Closing Date, the Company shall prepare IRS Form 8594 to report the allocation of the Purchase Price among the Assets. Each party hereto agrees not to assert, in connection with any tax return, tax audit or similar proceeding, any allocation that differs from that set forth in such Form 8594.

3. REPRESENTATIONS AND WARRANTIES.

3.1 Representations and Warranties of the Company and the Parent. The Company and the Parent represent and warrant to the Buyer as follows:

(a) Organization, Authority and Qualification of the Company. The Company is a corporation duly organized and validly existing under the laws of the State of Delaware and the Company has full corporate power and authority to own or lease its properties and to carry on its business in such state. The Company has the full corporate power and authority to execute, deliver and perform this Agreement, and this Agreement has been duly and validly executed and delivered by the Company and constitutes the valid and legally binding obligation of the Company, subject to general equity principles, enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization or similar laws affecting the rights of creditors generally.

(b) No Violation. The Company is not in default under or in violation of its Articles of Incorporation or Bylaws.

(c) Title to Properties; Absence of Liens and Encumbrances. The Company owns good and indefeasible title to the Assets, free and clear of all claims, liens, security interests, charges, leases, encumbrances, licenses or sublicenses and other restrictions of any kind and nature, other than the claims, liens, security interests, charges, leases, encumbrances, licenses or sublicenses either included among the Assumed Liabilities or specifically set forth on Schedule 3.1(c) hereto ("PERMITTED ENCUMBRANCES").

3.2 Representations and Warranties of the Buyer. The Buyer and Guarantor, jointly and severally, represent and warrant to the Parent and the Company as follows:

(a) Organization, Authority and Qualification of the Buyer. The Buyer is a corporation duly organized and validly existing under the laws of the State of Alabama and the Buyer has full corporate power and authority to own or lease its properties and to carry on its business in such state. The Buyer has the full corporate power and authority to execute, deliver and perform this Agreement, and this Agreement has been duly and validly executed and delivered by the Buyer and constitutes the valid and legally binding obligation of the Buyer, subject to general equity principles, enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization or similar laws affecting the rights of creditors generally.

(b) No Violation. The Buyer is not in default under or in violation of its Articles of Incorporation or Bylaws.

(c) Certain Fees. The Buyer has not employed any broker or finder or incurred any other liability for any brokerage fees, commissions or finders' fees in connection with the transactions contemplated hereby.

(d) Financial Information. The financial and management reports (including, without limitation, WIP schedules) heretofore delivered or made by Buyer or the Company to the Parent are true and correct in all material respects and do not omit to state any fact necessary to make any of them, in light of the circumstances in which made, not misleading. All executed change orders have been recorded, all agreed change orders have been

executed or are listed on Schedule 3.2(d), and all checks and cash received by the Company and its affiliates have been deposited.

3.3 No Warranty. The Buyer and the Guarantor acknowledge that the Guarantor, through previous ownership and/or management of the Company, is familiar with the Assets and the operations of the Company, and has access to any information pertaining thereto and has made such information available to Buyer. Neither the Company nor the Parent, nor any of their respective directors, officers, employees, agents or representatives has made, or shall be deemed to have made, and no such person shall be liable for, or bound in any manner by, and Buyer and the Guarantor have not relied upon and will not rely upon, any express or implied representations, warranties, guaranties, promises or statements pertaining to the Business or Assets except as specifically provided in this Section 3. The Buyer and the Guarantor acknowledge that in making the decision to enter into this Agreement and to consummate the transactions contemplated hereby, they have relied solely on the basis of their own independent investigation of the Business and the Assets and upon the express written representations, warranties and covenants in this Agreement. Without diminishing the scope of the express written representations, warranties and covenants of the Company and the Parent in this Agreement and without affecting or impairing their right to rely thereon, the Buyer and the Guarantor acknowledge that (a) they have not relied, in whole or in part, on any information contained in documents, materials or other information provided to them by, or on behalf of, Company or the Parent, and (b) neither Company nor the Parent is making any representations or warranties with respect to (i) any such documents, materials or other information, other than, in each case, as set forth in this Agreement or (ii) the value, condition, merchantability, marketability, profitability, suitability or fitness for a particular use or purpose of the Assets. ACCORDINGLY, THE ASSETS ARE BEING TRANSFERRED "AS IS, WHERE IS." EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN SECTION 3.1 OF THIS AGREEMENT, THE COMPANY AND PARENT MAKE ABSOLUTELY NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, REGARDING THE ASSETS, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR THE ABILITY OF THE COMPANY TO ASSIGN THE ASSETS, OR OBTAIN CONSENTS TO ANY ASSIGNMENT.

4. COVENANTS; ACTION SUBSEQUENT TO CLOSING.

4.1 Access to Books and Records. Until the third anniversary of the Closing Date, the Parent and the Company shall afford, and will cause its affiliates to afford, to the Buyer, its counsel, accountants and other authorized representatives, during normal business hours, reasonable access to the books, records and other data of the Company and the Business with respect to periods ending on or prior to the Closing Date to the extent that such access may be reasonably required by the Buyer to facilitate (i) the investigation, litigation and final disposition of any claims which may have been or may be made against the Buyer in connection with the Business or (ii) for any other reasonable business purpose. Following the Closing, the Buyer shall prepare, on behalf of the Company, all regularly prepared Company financial reports and statements for periods up to and including the Closing Date, and shall cooperate with and provide assistance to the Parent and the Company in their financial and tax reporting obligations for the periods up to and including the Closing Date.

4.2 Mail. The Parent and the Company authorize and empower the Buyer on and after the Closing Date to receive and open all mail received by the Buyer relating to the Business or the Assets and to deal with the contents of such communications in any proper manner. The Parent and the Company shall promptly deliver to the Buyer any mail or other communication received by them after the Closing Date pertaining to the Business or the Assets. The Buyer shall promptly deliver to the Parent any mail or other communication received by it after the Closing Date pertaining to the Excluded Assets or Retained Liabilities, and any cash, checks or other instruments of payment in respect of the Excluded Assets.

4.3 No Consent Contracts. To the extent that any contract of the Company included in the Assets may not be assigned without the consent of any third party, and such consent is not obtained prior to Closing (such contracts referred to as "NO CONSENT CONTRACTS"), this Agreement and any assignment executed at Closing pursuant hereto shall not constitute an assignment thereof, but to the extent permitted by law shall constitute an equitable assignment by the Company and assumption by the Buyer of the Company's rights and obligations under the applicable No Consent Contract, with the Company making available to the Buyer the benefits thereof and the Buyer performing the obligations thereunder on the Company's behalf.

4.4 Preparation and Filing of Certain Tax Forms. The Buyer shall prepare and timely file all Forms W-2, 940, 941 and 1099 with all appropriate Governmental Entities, including without limitation any summary schedules and transmittal forms, as well as any similar filings required by any state or local Governmental Entity, with respect to all wages and other reportable payments for the calendar year 2004. As used herein, "GOVERNMENTAL ENTITY" means any court or tribunal in any jurisdiction (domestic or foreign) or any public, governmental or regulatory body, agency, department, commission, board, bureau or other authority or instrumentality, domestic or foreign. The Buyer shall pay all administrative amounts owed as a result of or otherwise related to such filings with the exception of any tax, interest, or penalties associated with periods prior to the Closing. The Company will pay, on or before they become due, any employment taxes withheld by it which have not been previously paid. The Buyer, Parent and the Company shall cooperate in making all such filings and shall make available to the others such information as any of them requires to assure such filings are made on a timely and accurate basis.

4.5 The Parent Name and Logos. As soon as practicable (but in any event within 90 days) after the Closing Date, the Buyer, at its expense, shall remove all the Parent and its affiliates' names and logos from all of the Assets. Except as specifically provided in Section 1, nothing in this Agreement shall constitute a license or authorization for the Buyer to use in any manner any name, logo or mark owned by or licensed to the Company, the Parent or their respective affiliates which bears any reference to IES or any subsidiary of IES other than the Company. The name "Goss" and "Goss Electric" shall become the exclusive property of the Buyer following the Closing and shall not be used by the Company, Parent or their respective affiliates; provided that Parent will be given a reasonable period of time (not to exceed 60 days) to change the Company's name after the Closing Date.

4.6 Leased Assets. At the Closing, the Buyer, at its expense, shall pay off or refinance the leases on the vehicles listed on Schedule 4.6 attached hereto, and in connection therewith shall obtain the release of Parent and the Company for all liability under such vehicle leases. As soon as

practicable (but in any event within 90 days) after the Closing Date, the Buyer, at its expense, shall pay off or refinance the leases on the other assets listed on Schedule 4.6 attached hereto, and in connection therewith shall obtain the release of Parent and the Company for all liability under such leases.

4.7 Hyundai Change Orders. Buyer agrees that it shall pay over to the Company, within three days of receipt, one half of the net amounts collected (such net amounts collected representing the total collections, net of reasonable costs of collection, including reasonable attorneys fees) after the Closing Date by the Buyer or its assigns with respect to any of the change orders or claims listed on Schedule 4.7 attached hereto. At any time following the Closing, Parent will have the right on reasonable notice and during normal business hours to audit the progress of the collection effort and determine whether Schedule 4.7 represents a complete listing of all unbooked change orders related to the Hyundai facility in existence on the Closing Date.

4.8 Chubb Bonds. Buyer agrees that at the Closing it shall execute and deliver to the Federal Insurance Company and its subsidiary or affiliated insurers and any applicable co-sureties (collectively, "FEDERAL"), a General Agreement of Indemnity in the form attached as Exhibit B, pursuant to which Buyer and Guarantor agree to (i) indemnify Federal with respect to the performance and completion of the bonded obligations as set forth therein; and (ii) replace within ninety (90) days the bonds identified as Cancelable Bonds therein. Buyer further agrees to continue to provide to Federal monthly written reports (with a copy to the Parent) as to the progress of the completion of the bonded jobs. Buyer and Guarantor further agree to provide, from time to time and at the request of the Parent, a certificate or certificates certifying that the Cancelable Bonds have been replaced, and as to such other matters concerning the performance by the Buyer of its post-closing obligations under this Agreement as Parent shall request.

4.9 Retained Claims. The Company shall retain liability for certain insured claims as set forth in Schedule 1.5, paragraph 5 (the "RETAINED CLAIMS"). The Buyer and the Guarantor agree to cooperate with the Company and the Parent in the defense of the Retained Claims and to make available the Buyer's personnel and facilities for that purpose. The Company shall retain as Excluded Assets and not transfer to the Buyer all books and records associated with the Retained Claims, as well as any reserves established on the books of the Company for the Retained Claims, which reserves shall be paid in cash by the Buyer to the Company at Closing.

5. INDEMNIFICATION.

5.1 Survival. The representations and warranties of the Company, the Parent, the Buyer and the Guarantor contained in this Agreement, any schedules delivered by or on behalf of the Company and the Buyer pursuant to this Agreement, or in any certificate, instrument, agreement or other writing delivered by or on behalf of the Company, the Parent or the Buyer pursuant to this Agreement shall survive the consummation of the transactions contemplated herein; provided that all such representations and warranties of the Company and the Parent shall be of no further force and effect, and no claim for indemnification by the Buyer pursuant to this Section 5 may be brought for any reason, after the expiration of twelve (12) months from the Closing Date (the "SURVIVAL PERIOD"), except for the representations and warranties contained in Section 3.1(c), which shall

survive indefinitely. Anything to the contrary notwithstanding, a claim for indemnification which is made but not resolved prior to the expiration of the Survival Period may be pursued and resolved after such expiration.

5.2 Indemnification by the Company.

(a) In accordance with and subject to the provisions of this Section 5, the Company and the Parent shall indemnify and hold harmless the Buyer from and against and in respect of any and all loss, damage, diminution in value, liability, cost and expense, including reasonable attorneys' fees and amounts paid in settlement (collectively, the "BUYER INDEMNIFIED LOSSES"), suffered or incurred by the Buyer by reason of, or arising out of (i) any misrepresentation or breach of representation or warranty of the Company or the Parent contained in this Agreement, or in any schedules delivered to the Buyer by or on behalf of the Company or the Parent pursuant to this Agreement; (ii) the breach of any covenant or agreement of the Company or the Parent contained in this Agreement; or (iii) the Retained Liabilities.

(b) The Company and the Parent shall reimburse the Buyer on demand for any Buyer Indemnified Losses suffered by the Buyer with respect to matters other than claims, actions or demands brought, made or instituted by a third party ("THIRD PARTY CLAIMS"). With respect to Third Party Claims, the Company and the Parent shall reimburse the Buyer on demand for any Buyer Indemnified Losses suffered by the Buyer, based on the judgment of any court of competent jurisdiction or pursuant to a bona fide compromise or settlement in respect of any Buyer Indemnified Losses. The Company and the Parent shall have the opportunity to defend at their expense any claim, action or demand for which the Buyer claims indemnity against the Company or the Parent; provided that: (i) the defense is conducted by reputable counsel; (ii) the defense is expressly assumed in writing within twenty (20) days after written notice of the claim, action or demand is delivered to the Company and the Parent; and (iii) counsel for the Buyer may participate at all times and in all proceedings (formal and informal) relating to the defense, compromise and settlement of the claim, action or demand at the expense of the Buyer.

5.3 Indemnification by the Buyer.

(a) In accordance with and subject to the provisions of this Section 5, the Buyer and Guarantor, jointly and severally, shall indemnify and hold harmless the Company, the Parent and their respective affiliates (for purposes of this Section 5, the "COMPANY INDEMNITEES") from and against and in respect of any and all loss, damage, diminution in value, liability, cost and expense, including reasonable attorneys' fees and amounts paid in settlement (collectively, the "COMPANY INDEMNIFIED LOSSES"), suffered or incurred by the Company Indemnitees by reason of, or arising out of (i) any misrepresentation or breach of representation or warranty of the Buyer or Guarantor contained in this Agreement, or in any schedules delivered to the Company or the Parent by or on behalf of the Buyer or Guarantor pursuant to this Agreement; (ii) or the breach of any covenant or agreement of the Buyer or Guarantor contained in this Agreement; (iii) the Assumed Liabilities, including, without limitation, any liability to sureties with respect to bonded jobs; or (iv) the operation of the

Business following the Closing, including, but not limited to, any claims made by Transferred Employees concerning COBRA, the WARN Act, unemployment claim liability, or any similar matters as a result of the termination by Buyer of the Transferred Employees.

(b) The Buyer and the Guarantor, jointly and severally (the "BUYER INDEMNIFYING PARTIES"), shall reimburse the Company Indemnitees on demand for any Company Indemnified Losses suffered by the Company Indemnitees with respect to matters other than Third Party Claims. With respect to Third Party Claims, the Buyer Indemnifying Parties shall reimburse the Company Indemnitees on demand for any Company Indemnified Losses suffered by the Company Indemnitees, based on the judgment of any court of competent jurisdiction or pursuant to a bona fide compromise or settlement in respect of any Company Indemnified Losses. The Buyer Indemnifying Parties shall have the opportunity to defend at their expense any claim, action or demand for which the Company Indemnitees claim indemnity against the Buyer Indemnifying Parties; provided that: (i) the defense is conducted by reputable counsel; (ii) the defense is expressly assumed in writing within twenty (20) days after written notice of the claim, action or demand is delivered to the Buyer Indemnifying Parties; and (iii) counsel for the Company and the Parent may participate at all times and in all proceedings (formal and informal) relating to the defense, compromise and settlement of the claim, action or demand at the expense of the Company and the Parent.

5.4 Limitation and Payment on Claims. No claim shall be brought under this Section 5 for breach of any representation or warranty, and no party hereto shall be entitled to receive any payment with respect thereto, until such time as, and only to the extent that, the aggregate amount of such claim(s) that such party has equals or exceeds \$100,000 (the "DEDUCTIBLE"); provided, however, that the Deductible shall not apply to any obligations under Section 2.3. Anything to the contrary notwithstanding, the Company and the Parent shall not be liable under this Section 5 for Buyer Indemnified Losses in excess of the Purchase Price.

5.5 Sole Remedy. The sole remedy of the Company, the Parent and the Buyer Indemnifying Parties for breach of the representations and warranties set forth in Section 3 shall be pursuant to this Section 5.

6. DISPUTE RESOLUTION.

6.1 Arbitration.

(a) Any controversy, dispute or claim arising out of or relating in any way to this Agreement or the other agreements contemplated by this Agreement or the transactions arising hereunder (including the validity, interpretation or applicability of this Section 6.1) shall be settled exclusively by final and binding arbitration in Houston, Texas. Such arbitration will apply the laws of the State of Texas and the commercial arbitration rules of AAA to resolve the dispute, and will be administered by the AAA.

(b) Written notice of arbitration must be given within one year after the notifying party has knowledge of accrual of the claim on which the notice is based. If the

claiming party fails to give notice of arbitration within that time, the claim shall be deemed to be waived and shall be barred from either arbitration or litigation.

(c) Such arbitration shall be conducted by one independent and impartial arbitrator to be selected by mutual agreement of the parties, if possible. If the parties fail to reach agreement regarding appointment of an arbitrator within thirty (30) days following receipt by one party of the other party's notice of arbitration, the arbitrator shall be selected from a list or lists of proposed arbitrators submitted by AAA. Unless the parties agree otherwise, the arbitrator shall be a licensed attorney with at least ten years of experience in the practice of law. The selection process shall be that which is set forth in the AAA commercial arbitration rules then prevailing, except that (A) the number of preemptory strikes shall not be limited and (B), if the parties fail to select an arbitrator from one or more lists, AAA shall not initially have the power to make an appointment but shall continue to submit additional lists until an arbitrator has been selected, but if no such arbitrator is selected within sixty (60) days after the receipt of the first notice of arbitration, the AAA shall have the power to make an appointment and shall promptly do so. Initially, however, promptly following its receipt of a request to submit a list of proposed arbitrators, AAA shall convene the parties in person or by telephone and attempt to facilitate their selection of an arbitrator by agreement. If the arbitrator should die, withdraw or otherwise become incapable of serving, a replacement shall be selected and appointed in a like manner.

(d) The arbitrator shall render an opinion setting forth findings of fact and conclusions of law with the reasons therefor stated. A transcript of the evidence adduced at the hearing shall be made and shall, upon request, be made available to either party. The fees and expenses of the arbitrator shall be shared equally by the parties and advanced by them from time to time as required; provided that at the conclusion of the arbitration, the arbitrator may award costs and expenses (including the costs of the arbitration previously advanced and the fees and expenses of attorneys, accountants and other experts). No pre-arbitration discovery shall be permitted, except that the arbitrator shall have the power in his or her sole discretion, on application by either party, to order pre-arbitration examination of the witnesses and documents that the other party intends to introduce in its case-in-chief at the arbitration hearing. The arbitrator shall render his or her opinion and/or award within ninety (90) days of the conclusion of the arbitration hearing. The arbitrator shall not be empowered to award to either party any punitive damages in connection with any dispute between them arising out of or relating in any way to this Agreement or the other agreements contemplated hereby or the transactions arising hereunder or thereunder, and each party hereby irrevocably waives any right to recover such damages. The arbitration hearings and award shall be maintained in confidence.

Notwithstanding anything to the contrary provided in this Section 6.1 and without prejudice to the above procedures, either party may apply to any court of competent jurisdiction for temporary injunctive or other provisional judicial relief if such action is necessary to avoid irreparable damage or to preserve the status quo until such time as the arbitrator is selected and available to hear such party's request for temporary relief. The award rendered by the arbitrator shall be final and not subject to judicial review and judgment thereon may be entered in any court of competent jurisdiction.

7. EMPLOYEE MATTERS.

7.1 Hiring.

(a) The Buyer shall hire (subject to each employee's agreement), effective as of the Closing Date, all of the employees of the Company on the day immediately prior to the Closing Date, active or inactive (such employees being hereafter referred to as the "TRANSFERRED EMPLOYEES") at a comparable job and at a rate of pay not less than each such Transferred Employee's pay as of September 30, 2004. Upon request of the Buyer, the Company shall provide the Buyer reasonable access to data (including computer data) regarding the ages, dates of hire, compensation and job description of the Transferred Employees.

(b) The Buyer shall assume and be responsible for any severance costs associated with the termination of the Transferred Employees' employment with the Company. LITIGATION RESOLVED

IES is pleased to announce the successful resolution of a verdict in the District Court in Harris County, Texas that was previously announced on October 4, 2004. The matter was settled on reasonable terms with all plaintiffs prior to entry of any judgment. A settlement and mutual release was entered on December 3, 2004, and the case will be dismissed with prejudice. The company believes it was in the best interest of all parties to reach an early resolution of this matter. Although the company was confident with its position on the appeal, this settlement will avoid future uncertainty and the legal costs associated with the appeal as well as the significant costs associated with the appellate bond that would have been required. The company expects to record a charge of approximately \$8 million in the fiscal year ended September 30, 2004 for this matter.

Roddy Allen, IES CEO commented, "I am pleased to announce a favorable settlement in this case, and I believe it will allow us to more fully focus on improving IES and executing our plan. Over the last several weeks we have completed a number of important transactions, including the convertible debt issue, the first asset sale of our planned divestiture program, and this legal settlement. I look forward to reporting on our future progress." After settling this lawsuit, the company had approximately \$65 million in cash and availability under its bank credit facility.

Integrated Electrical Services, Inc. is the leading national provider of electrical solutions to the commercial and industrial, residential and service markets. The company offers electrical system design and installation, contract maintenance and service to large and small customers, including general contractors, developers and corporations of all sizes.
